A Program In Professional Private Investigations That Benefits Both Industry Veterans and Others Interested in the Field

Work with educators and field experts while earning the Certificate in Professional Private Investigations from the Professional Development Institute located at the University of North Texas. This new program prepares students to enter the field of private investigations. Every program is taught by professional faculty, attorneys and practitioners in the field. This curriculum offers over 200 hours of instruction broken down into 11 classes, including special topics. Upon successful completion of the program, you will be awarded a **Certificate in Professional Private Investigation from the Professional Development Institute located at the University of North Texas.**

According to new Private Security Board rules, this program may satisfy one of the qualifications for an Investigations Company License. Call us for details on this emerging program benefit, or call to discuss any of the ways this program may benefit you.

WHO SHOULD ATTEND

- Anyone interested in P.I. training
- Loss prevention agents
- SIU investigators
- Claims adjusters
- Lawyers/paralegals
- Investigators in legal, corporate, financial or retail
- Police officers seeking P.I. training
- Licensed private investigators seeking formal training

PREREQUISITES

- Have a high school diploma (or GED)
- Fluent in English
- Basic working knowledge of computers and the internet
- Online access for computer-based proficiency testing

Price

- \$3,125.00. Includes all materials and fees

Classes

- Classes in Dallas are Fridays from 6 p.m. to 9 p.m. and Saturdays from 9 a.m. to 5 p.m.
- Classes in Houston are Tuesdays and Thursdays from 6 p.m. to 9 p.m. and every other Saturday from 9 a.m. to 5 p.m.

Takes 4 1/2 months to complete. Students must enroll in the entire program and take all of the courses to qualify for the Certificate.

Civil/Insurance Investigations I (22 Hours)

Differentiate and understand insurance, fraud, vehicle, product liability and police-involved investigations.

Domestic and Family Investigations I (22 Hours)

Discuss the sensitive nature of all types of cases, review high profile examples and discuss positive business responses. Discuss and prepare for the responsiveness, creativity and sensitivity that are usually needed in large amounts during these investigations.

Pre Employment/Background/Corporate Investigations (11 Hours)

Learn how to help companies as well as individuals protect themselves in the marketplace and on the street. Review and understand the rules and regulations surrounding the obtaining of information, how it is obtained and how it is then communicated effectively to the client.

PI Practice Management (22 Hours)

Explore what it takes to establish and structure a private investigation business, and how to work with clients and other professionals in the field. Review Section 1702 of the Texas Occupation Code, the Rules and regulations of the Private Security Board and DPS. Review client Interaction, creating partnerships and networks with law enforcement, other professional investigators, and those within the legal field.

Special Topics in Private Investigations (10 Hours)

Have the opportunity to overview many of the most intriguing PI topics in our Special Topics Classes, with separate presentations on each individual topic. Topics may include: Asset Investigations; Bail Enforcement Investigations; Beginning Photography & Media; Computer Crimes & Internet Investigations; Executive Protection; Forensic & Crime Scene Investigation; Loss Prevention Basics and Physical Security; Missing Persons; SIU - Accident Reconstruction; Fraud & Forensic Accounting; Arson Investigation; Nursing Home/Elder Care Investigations; and Electronic Countermeasures / TSCM / Debugging.

Curriculum

Foundations of Private Investigation and Professional Ethics (22 Hours)

An overview of private investigations as a profession.

Legal aspects of Private Investigations In Texas (11 Hours)

Principles of law and the role of private investigators.

Investigative Techniques & Research I (22 Hours)

A review of research practices and sources.

Investigative Techniques and Research II (22 Hours)

A focus on conducting investigative interviews and on planning, conducting, recording, interpreting, and presenting the results. Learn best practices and real time in-class research.

Surveillance & Undercover Operations (22 Hours)

Understand how observation and description are related to investigations. Includes sections on surveillance and undercover/covert operations.

Criminal Investigations I (22 Hours)

Learn precise and methodical techniques used in the careful collection of information and evidence in a criminal investigation. Heavy emphasis will be placed on understanding crime scene investigation, discovery, and court testimony. Understand the critical importance of communication with law enforcement, civilians, professionals and other subjects in an investigation.
